MOPAR[®] REMAN STARTERS

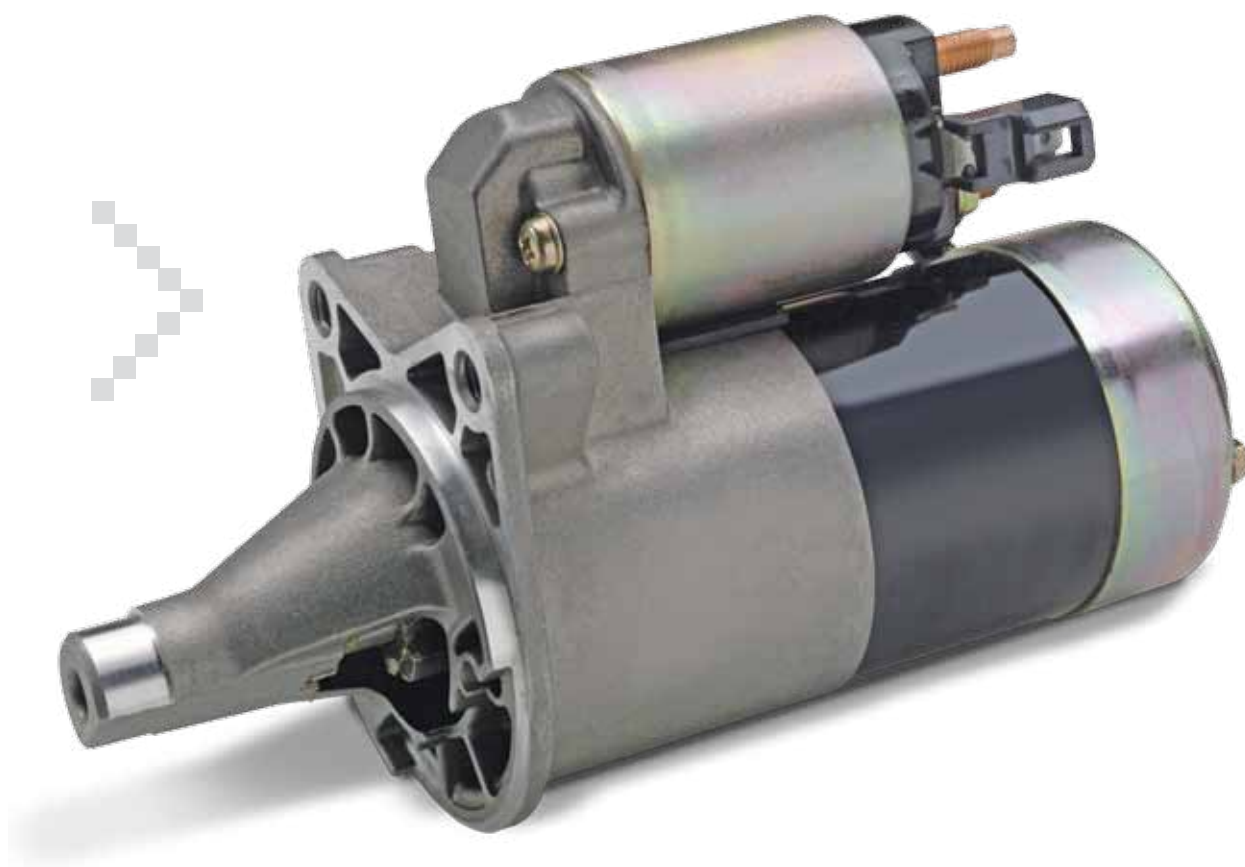

KEEP YOUR CUSTOMERS' CHRYSLER, JEEP, DODGE OR RAM VEHICLES AUTHENTIC WITH MOPAR[®] REMANUFACTURED STARTERS.

The Mopar[®] Remanufacturing Process returns the part to O.E. specifications to ensure the highest quality and performance, and we back our quality with a nationwide 12-month warranty. Plus, all Mopar remanufactured parts are competitively priced, providing your customers with authentic quality at a great price.

Starter Product Features:

- New brushes and holders
- New battery posts, copper field coils and noise-reduction pads
- New pinion assembly
- New solenoid switch
- New over-running clutch

All remanufactured starters are torque- and load-tested to O.E. specifications and are sold as complete, replaceable assemblies.
